

Bartley Banker

Bartley Banker here (*pointing with thumb to chest*) and I am in charge of all the Quibbles in the Township. (*proudly*)

You can be sure that it is all safe with me. Quibbles for savings, and Quibbles for loans. It is a very important job, you see. Counting and Re-counting, just to make sure that none goes un-accounted for.

The king has given me a summons (*pulls out rolled up paper*) to appear before him for a highly esteemed position at the palace, (*reading from the page*) the Royal Storehouse Regent.

(*rolling up the page*) I assured him, the King, that I would indeed be perfect for such a job and that once appointed, no one would ever need worry about their Quibbles again.

You see, compounding daily is the key to financial planning.

And there's only one person worthy to fill that Royal Storehouse position; and that's me. (*pointing again with thumb to chest*)
